- 8:00 a.m. - 8:00 p.m. Eastern Standard Time

Fax:

- 269.629.5770

E-mail:

- orders@allianthealthcare.com

Mail orders or confirmation documents to:

- 8850 M-89
- Richland, Michigan 49083

Prices do not include shipping charges. All prices are FOB Richland, Michigan.
Orders for the next day delivery must be received by 3:00 p.m. Eastern Standard Time.

Limited Warranty and Disclaimer of Liability

Alliant Healthcare's products ("Product") are manufactured under carefully controlled conditions and Alliant Healthcare warrants the Product will perform in accordance with its labeling, and will be free from significant defects in material and workmanship under normal use for one year from the date of shipment.

Alliant Healthcare's sole liability shall be limited to replacement of, or credit for, any Product returned to Alliant Healthcare and which Alliant Healthcare determines, in its sole discretion, to have been defective in either material or workmanship at the time of shipment. Alliant Healthcare has no control over the conditions under which the Product is handled or used by third parties. THEREFORE, ALLIANT HEALTHCARE DISCLAIMS ALL WARRANTIES, BOTH EXPRESS AND IMPLIED, WITH RESPECT TO THE PRODUCT, INCLUDING BUT NOT LIMITED TO ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. ALLIANT HEALTHCARE SHALL NOT BE LIABLE TO ANY PERSON OR ENTITY FOR ANY MEDICAL EXPENSES OR DAMAGES CAUSED BY ANY USE, DEFECT, FAILURE OR MALFUNCTION OF THE PRODUCT, WHETHER A CLAIM FOR SUCH DAMAGES IS BASED UPON WARRANTY, CONTRACT, TORT OR OTHERWISE. NO PERSON HAS ANY AUTHORITY TO BIND ALLIANT HEALTHCARE TO ANY REPRESENTATION OR WARRANTY WITH RESPECT TO THE PRODUCT.

The exclusions and limitations above are not intended to and should not be construed as intending to contravene mandatory provisions of applicable law. If any part of this Limited Warranty and Disclaimer of Liability is held to be unenforceable or in conflict with applicable law by a court of competent jurisdiction, the validity of the remaining portions shall be enforced as if this Limited Warranty and Disclaimer of Liability did not contain the part held invalid.

GENERAL TERMS & CONDITIONS

Prices:

Subject to change without prior notice. All applicable taxes will be charged. All prices are quoted FOB Richland, Michigan. The minimum shipping quantity is one full carton of any single item.

Payment:

Net 30 days or per contract.

Freight:

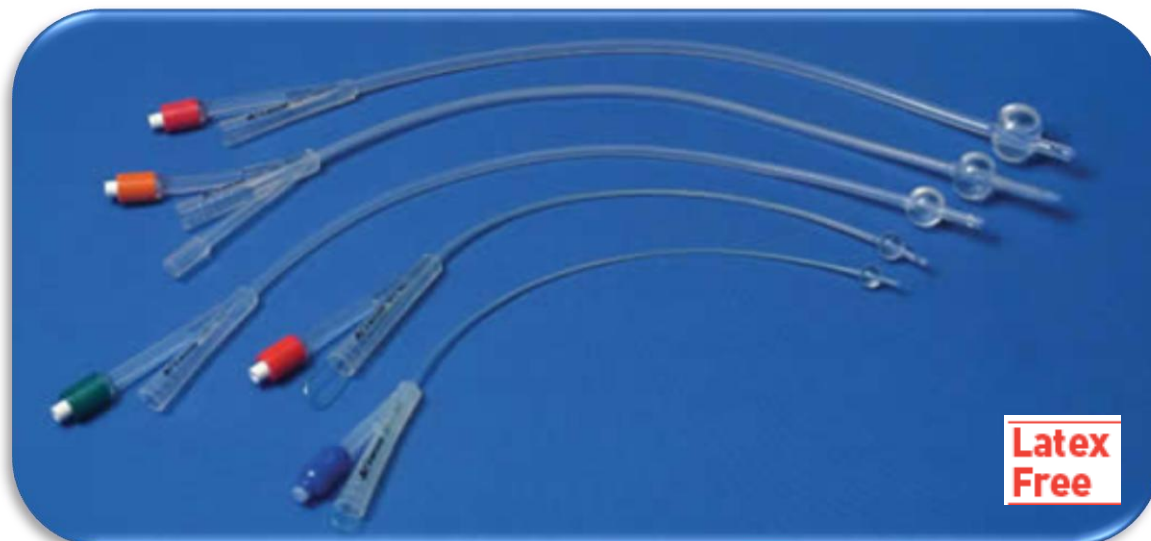

All orders are shipped for delivery regular ground, standard 5-7 business days, unless otherwise requested. Shipping is not included in the price of the product and is invoiced with shipment. If merchandise has been damaged in transit, please notify your shipper; then contact Customer Service [888.307.1144] for further instructions.

Returned Goods Policy

1. Returns will be accepted up to 90 days from the date of invoice. Products returned between 30 and 90 days will be charged a 25% re-stocking fee. Customer account will be credited accordingly. Returns will not be accepted after 90 days from date of invoice.
2. Alliant Healthcare is committed to providing quality products and service. Therefore, we will accept for full credit any return of product that:
 - a) Is a result of an error by Alliant Healthcare.
 - b) Does not perform satisfactorily for the purposes and indications described in the labeling.
3. Authorization is required for all returns and may be obtained through Customer Service. A Returned Goods Authorization (RGA) number will be issued and this number must be referenced on all returned packages. Freight on all returns must be prepaid by the customer except for returns listed in Section 2.
4. The following merchandise is not acceptable for return:
 - a) Sterile items that are returned without the manufacturing seals intact.
 - b) Special order products.
 - c) Partial cartons or kits.
 - d) Product within 13 months of expiration date.
5. As part of an ongoing effort to improve the quality of our products, please return any defective product for evaluation. Credit or replacement will be issued by Alliant Healthcare upon receipt of the defective product.
6. Call Alliant Healthcare at 888.307.1144 for any other customer service or technical information questions.

Foley Balloon Catheter

Features:

- Translucent silicone with blue radiopaque line
- Three-Way Balloon retention catheters enable continuous & simultaneous bladder irrigation and drainage
- Special plastic valve cap allows easy inflation of the balloon and fits all common Slip Luer syringes
- Color-coded bands allow easy distinction of sizes
- Cylindrical with round tip lumen designed for urine flow and drainage
- Translucent catheters allow ability to visually monitor crystallization formations and internal lumen blockage
- Can be kitted with urine collection bags for added flexibility
- Packaging: EtO sterilized
- **Adult & pediatric temperature sensing Foleys also available – see Cardiovascular section**

Nephrostomy Balloon Catheter

Features:

- Provides urine drainage when the urethra is not functional: placed through the skin into the renal collecting system
- With imaging guidance, used to introduce balloon dilation within the urethra, removal of renal calculi, & diagnosis of urethral obstructions
- Pediatric and adult sizes
- Open tip offers easy drainage of urine and fluids in the bladder
- Well-designed balloon helps eliminate urine leakage
- Requires a minimum amount of space in the renal pelvis
- Packaging: EtO sterilized
- Product material: Non-Pyrogenic USP Class VI silicone construction

Evacuator BaroVac® Closed Wound Drainage System

Features:

- Pancake style design drains fluids from surgical wounds & helps reduce the occurrence of wound hematomas and infection
- PVC Container, PVC Wound Tube or Silicone Wound Tube
- Container Capacity: three sizes available - 200/400/800ml
- Needle Size (O.D.): Medium (3.2mm), Large (4.8mm), X-Large (6.4mm)
- Negative Pressure: 90mm Hg (+/-5)
- 2-Way P.C. Connectors
- Packaging: EtO sterilized

Product Material:

- Evacuator Container: PVC
- Wound Tube: PVC, 120cm
- Y-Connectors: PVC
- Trocar Needle: Stainless Steel, length 130mm
- Connecting Tube: PVC, length 72cm

Description:	Catalog Number	Quantity Per Box	SIN #

Suction Catheter (PVC)

Features:

- Easily removes secretion from tracheal and bronchial tubes
- Soft PVC allows extra smooth low friction surface for easy intubation
- Connects to a suction device & inserted through a tube to remove secretion
- With valve: vacuum controlled valve with open tip facilitates control of suction
- High-quality pediatric suction catheters manufactured with central eyes that are smoothly rounded and lateral eyes that are accurately positioned and shaped to avoid sharp edges
- Length: 47cm including valve
- Packaging: EtO sterilized
- Product material: disposable PVC

Alliant Healthcare Products Overview

Alliant Healthcare Products is an ISO 13485 certified and a certified Service-disabled Veteran-owned Small Business (SDVOSB) that designs, develops, manufactures, and markets products for the global healthcare market. Alliant Healthcare also provides custom assembly, packaging, and manufacturing for acute care hospitals, government, and original equipment (OEM) for private label customers.

Alliant Healthcare formally began manufacturing operations on September 1, 2002 and acquired the Surge Medical Solutions™ product line in April 2010. Alliant Healthcare positions its engineering, manufacturing, and marketing expertise to be a significant provider of high quality, low-cost healthcare products. The company uses lean manufacturing techniques to drive cost out of manufacturing products.

The company manufactures and sells three distinct product lines: Cardiovascular, Urology, and Wound Drainage. Alliant promotes and sells its cardiovascular products under the Surge Medical Solutions™ name. These products include Antegrade & Retrograde Cardioplegia Cannulae and Perfusion Accessories. Its Urology and Wound Drainage lines are sold under the Alliant TruChoice™ name, including Foley Catheters and Kits, Urinometers, and BaroVac® Wound Drainage Systems.

Because of its certified SDVOSB status, Alliant Healthcare is uniquely positioned to help prime contractors meet U.S. Government contracting requirements. Any company contracted for more than \$500,000 with the U.S. Government must submit a subcontract plan prior to being awarded the contract. These subcontracts are required to include small businesses such as SDVOSBs. These goals are expected to significantly emphasize the special relationship between the U.S. Government and Veterans. At no other time in our nation's history have incentives been so strong for doing business with companies under veteran ownership.

Ownership:

Alliant Healthcare Products is a privately held medical manufacturer. The company is solely owned by Bob Taylor. Mr. Taylor was an active duty B-52 Navigator/Bombardier and flew 11 combat missions during the Gulf War where he was awarded the U.S. Air Force's Air Medal.
